

USING THE FEDERAL BONDING PROGRAM JUST GOT EASIER

The Federal Bonding program is now automated to enable state bonding coordinators and government agencies to purchase and request bonds to be issued. Visit www.fbp.bondsforjobs.com to the ease of a streamlined, digital system with the following benefits:

Keep Track of Your Bonds Online

Log into your FBP account at any time to view your purchased, issued and remaining bonds at the click of a button.

No Bond Minimum or Maximum

Buy bonds as needed - as many or as few bonds at a time.

New, Consistent Pricing

Each bond is \$100, regardless of the number of bonds purchased.

Save a Tree

Gone are the days for printing, completing, and mailing paperwork to purchase and issue bonds.

Enhanced Security

The new system digitally protects all personal information and does not require Social Security Numbers to be entered.

Save Time

Set up an online account, purchase, and request bonds to be issued-all in a matter of minutes.

No More Expiration Dates

Bonds purchased via the automated portal will not expire.

Utilize Existing Bonds Online

All existing unused bonds have been uploaded in your account and are ready to be issued.

**All bonds purchased and issued via the new automated site will be underwritten and issued by Westchester Fire Insurance Company, a subsidiary of the Chubb Companies, with main offices located at 436 Walnut Street, Philadelphia, Pennsylvania 19106.*
