

# USING THE FBP ONLINE

The Federal Bonding program is automated to enable state bonding coordinators and government agencies to purchase and request bonds to be issued. Visit [www.fbp.bonds4jobs.com](http://www.fbp.bonds4jobs.com) to the ease of a streamlined, digital system with the following benefits:

## **Keep Track of Your Bonds Online**

Log into your FBP account at any time to view your purchased, issued and remaining bonds at the click of a button.

## **No Bond Minimum or Maximum**

Buy bonds as needed - as many or as few bonds at a time.

## **Consistent Pricing**

Each bond is \$100, regardless of the number of bonds purchased.

## **Save a Tree**

Gone are the days for printing, completing, and mailing paperwork to purchase and issue bonds.

## **Enhanced Security**

The system digitally protects all personal information and does not require Social Security Numbers to be entered.

## **Save Time**

Set up an online account, purchase, and request bonds to be issued-all in a matter of minutes.

## **No Expiration Dates**

Bonds purchased via the automated portal will not expire.

## **Utilize existing Bonds Online**

All remaining unused bonds have been uploaded in your account and are ready to be issued.

*\*All bonds purchased and issued via the automated site will be underwritten and issued by Westchester Fire Insurance Company, a subsidiary of the Chubb Companies, with main offices located at 436 Walnut Street, Philadelphia, Pennsylvania 19106.*
